CLUB PICNIC...

The annual picnic will be held on Sunday August 18th at the FIRST Henes Park Pavilion. This is a change from our usual location. This year the club will furnish brats, hamburgers and hot dogs. Members are asked to bring a dish to pass. There will be soda, water, and coffee provided. Please see the RSVP form in this newsletter for all the details.

Since we're late getting out this notice, you may pay at the picnic, but please let Joan Callow know you are coming so we have a head count, and what you'll be bringing.

After the meal, we'll hold a brief business meeting and Dave and Jeanne Arnold will host the ever-popular Ham radio Bingo.

We will also have a swap table for any items you would like to sell, either for yourself or to donate to the club treasury.

The money raised at the hamfest ensures the cost of the installation of a tower and beam at the DAR will be covered.

M&M ARC RECEIVES \$300 FROM THE MARINETTE COUNTY BREAKFAST ON THE FARM...

Numerous members of the Marinette & Menominee Amateur Radio Club volunteered their time Sunday, June 30th, 2013 for parking and traffic control. Thanks to the efforts of these individuals as well as many other volunteer groups, the annual Marinette County Breakfast on the Farm was a major success this year. Because of the

success, the Breakfast on the Farm committee decided to share some of the financial success with various dairy and agriculture groups. Additionally, the M&M ARC received \$300 for their continued annual volunteer contributions to the annual event.

Thanks to all of those who volunteer their time for such great causes!

WATERFRONT SPECIAL EVENT STATION...

The M&M ARC once again showed off ham radio to the public by operating a special event station at the Menominee Waterfront Festival on Saturday August 3rd. Here is Ed, KG8CX assisting a young operator on 2 meters. The station made 27 contacts on 20 and 2 meters.
