### CLUB MEETING...

This month's meeting is Thursday at 7pm at inVenture North in Marinette. See the attached agenda. Hope to see you there.

### AREA REPEATER MOVES IN MORE WAYS THAN ONE...

Pete, AB9PJ reports the 444.500 repeater has moved in location and frequency. The

machine has relocated to the Rangeline tower with an antenna at 400 feet. The frequency is now 444.875 with a PL of 141.3. It is linked to the 147.470 repeater in Suring. The move will significantly increase the range of that UHF machine.

### NEW HF NET...

As was mentioned at the September meeting, Dan, W9DLN is working on reestablishing a Sunday Afternoon 75 meter net. It would be on 3907, where a local net was run for many years. More at this month's meeting.
