CLUB MEETING...

We will hold the September meeting on Thursday, September 11th at InVenture North, at 7pm. Yes, the Packers are playing that evening, but we'll try to move things along so you can get back home to the game. A.J., KB7KZ will do a program on the Flexradio. Hope to see you there.

CLUB PICNIC AND FOX HUNT...

Thanks to all who came out August 3rd for the annual picnic at Henes Park. The food and conversation were as excellent as the weather.

And thanks to A. J. KB7KZ and Eric, KG9GH for putting on a Fox Hunt and antenna building demonstration before the picnic.

K8IR using his HT and rubber duck won the Fox Hunt.

HONORING ARDE...

Our club was well represented at an event to honor Arde Nelson, KA9WAR held September 6th at the Peshtigo Corral. Thanks to Connie, KE9ALV who organized the event attended by many of Arde's friends. See more pictures on the W8PIF.COM website.

From K9STT:

This event was a wonderful chance to get together and celebrate the 103 years that make this man so honored by so many. It was also a chance to thank him for his many years of service to his family, country, friends, community and Ham Radio - sharing his love, strength, talents and knowledge with all that know him! We are all blessed and honored to be counted as friends!
